about us

Flexmetal, founded in **1987**, has built a solid reputation as a leading company in the balloon industry. Since the very beginning, our **mission** has been clear: **to offer the highest standards of quality, innovation, design, and service in every single product we deliver to our customers around the world.**

Thanks to our exclusive and advanced in-house manufacturing systems, we have developed an exceptional level of flexibility that allows us to create the most diverse shapes, sizes, and finishes of mylar balloons. This unique know-how not only guarantees **outstanding results** but also enables us to continually introduce **new and creative designs** that surprise, inspire, and add joy to every celebration.

Size guide

Our balloons are available in a variety of sizes to suit different designs and decorative needs. From **mini formats** ideal for small details to **regular sizes** that create a stronger visual presence, our collection also includes **medium and slim options.** This range allows greater flexibility when creating decorations, helping you find the right size for every occasion and display.

Finishes Guide

We offer a selection of finishes designed to enhance the look and feel of our balloons. Our range includes **metallic, matte, satin, and glossy finishes,** each creating a distinctive visual impact and bringing a unique character to every design. These finishes allow you to choose the perfect style depending on the occasion, from vibrant and eye-catching effects to more subtle and elegant looks.
